PLEASE NOTE:

- CIS Academy reserves the right to make alterations in its published programs due to unforeseen circumstances.
- The programs are expected to be deployed Virtual (Virtual) and in-person (classroom). If circumstances change, there could be changes in this arrangement which will be advertised.
- To reserve a place in any of our programs, please register at least ONE WEEK before the program date for effective planning and coordination.
- Mandatory Continuing Professional Development (MCPD) Programs are highly subsidized for CIS members and the Training fee for one MCPD is embedded in the Annual Subscription of members. CIS Academy runs In-company training programs for staff of organisations on any of the advertised training programs. We also design specialized training programs specific to the perceived needs of an organisation. This is additional to the Certificate Courses, advertised below, which give participants the opportunity to sharpen their skills, enhance their capacity and acquire in-depth knowledge in relevant areas.

CERTIFICATE COURSES OFFERED

- Corporate Governance and Ethics
- Capital Market Operations and Share Registration
- Portfolio Management and Analysis
- Digital Risk & Cyber security
- Enterprise Risk Management
- Sustainability Risk Management
